HERITAGE

Old Town **Vidoški**

The time machine brings us to a medieval town of Vidoški, founded in the 5th and 6th century, during the times of a Byzantine emperor Constantine. The town has 13 towers. It is divided into lower, middle and upper town. It is located on the hill above contemporary center of Stolac and it is a defense facility which, by its size, belongs to the line of the largest Bosnian and Herzegovinian towns. Contemporary form of the town belongs to the remains of Austro-Hungarian era.

HERITAGE

Hellenistic fort **Daorson**

Somewhere is Herzegovinian karst, Daorson is a living proof for existence of Stolac and its surroundings. A Hellenized Illyrian tribe of Daorsi who lived in a valley of river Neretva around 300-50 BC, built their capital city in Stolac, called Daorson. Daorson with its megalithic walls witnesses former great power, its importance grows larger thanks to an idea to suggest Daorson to the list of 7 new wonders of the world few years ago.

HERITAGE

“Stećak” (tombstone) necropolis **Radimlja**

Stećak Necropolis Radimlja is the most valuable and most famous monument of medieval period of Bosnia and Herzegovina (14th and 15th century). Its valuable characteristics are: number of stećak tombstones, diversity, presence of all basic shapes, relatively high artistic quality of creation, rich decorations and engravings with the names of historical figures, and also its accessibility and location. Necropolis Radimlja near Stolac is a national monument of Bosnia and Herzegovina.

HERITAGE

“Stećak” (tombstone) necropolis **Boljuni**

The necropolis is located in a village of Boljuni, 12 kilometers southwest of Stolac. It has 273 stećak tombstones in total. It is third by size and first by the number of decorated stećak tombstones in Bosnia and Herzegovina. The most abundantly decorated stećak is the one with a large cross where a Duke Vlatko Vuković of Kosača kin is buried.

ENOGASTRO

Eno offer in Stolac and Čapljina

The wines of Herzegovina are a continuation of the tradition of growing vines and producing wine on Herzegovinian rocky terrain, whose beginnings go way back into history, from Roman times rule in these areas. Today, Herzegovinian winemakers have big vine surfaces, traditional and indigenous varieties, and modern equipped cellars in which indigenous varieties are vinified with the most modern technological procedures.

ENOGASTRO

Gastro offer in Stolac and Čapljina

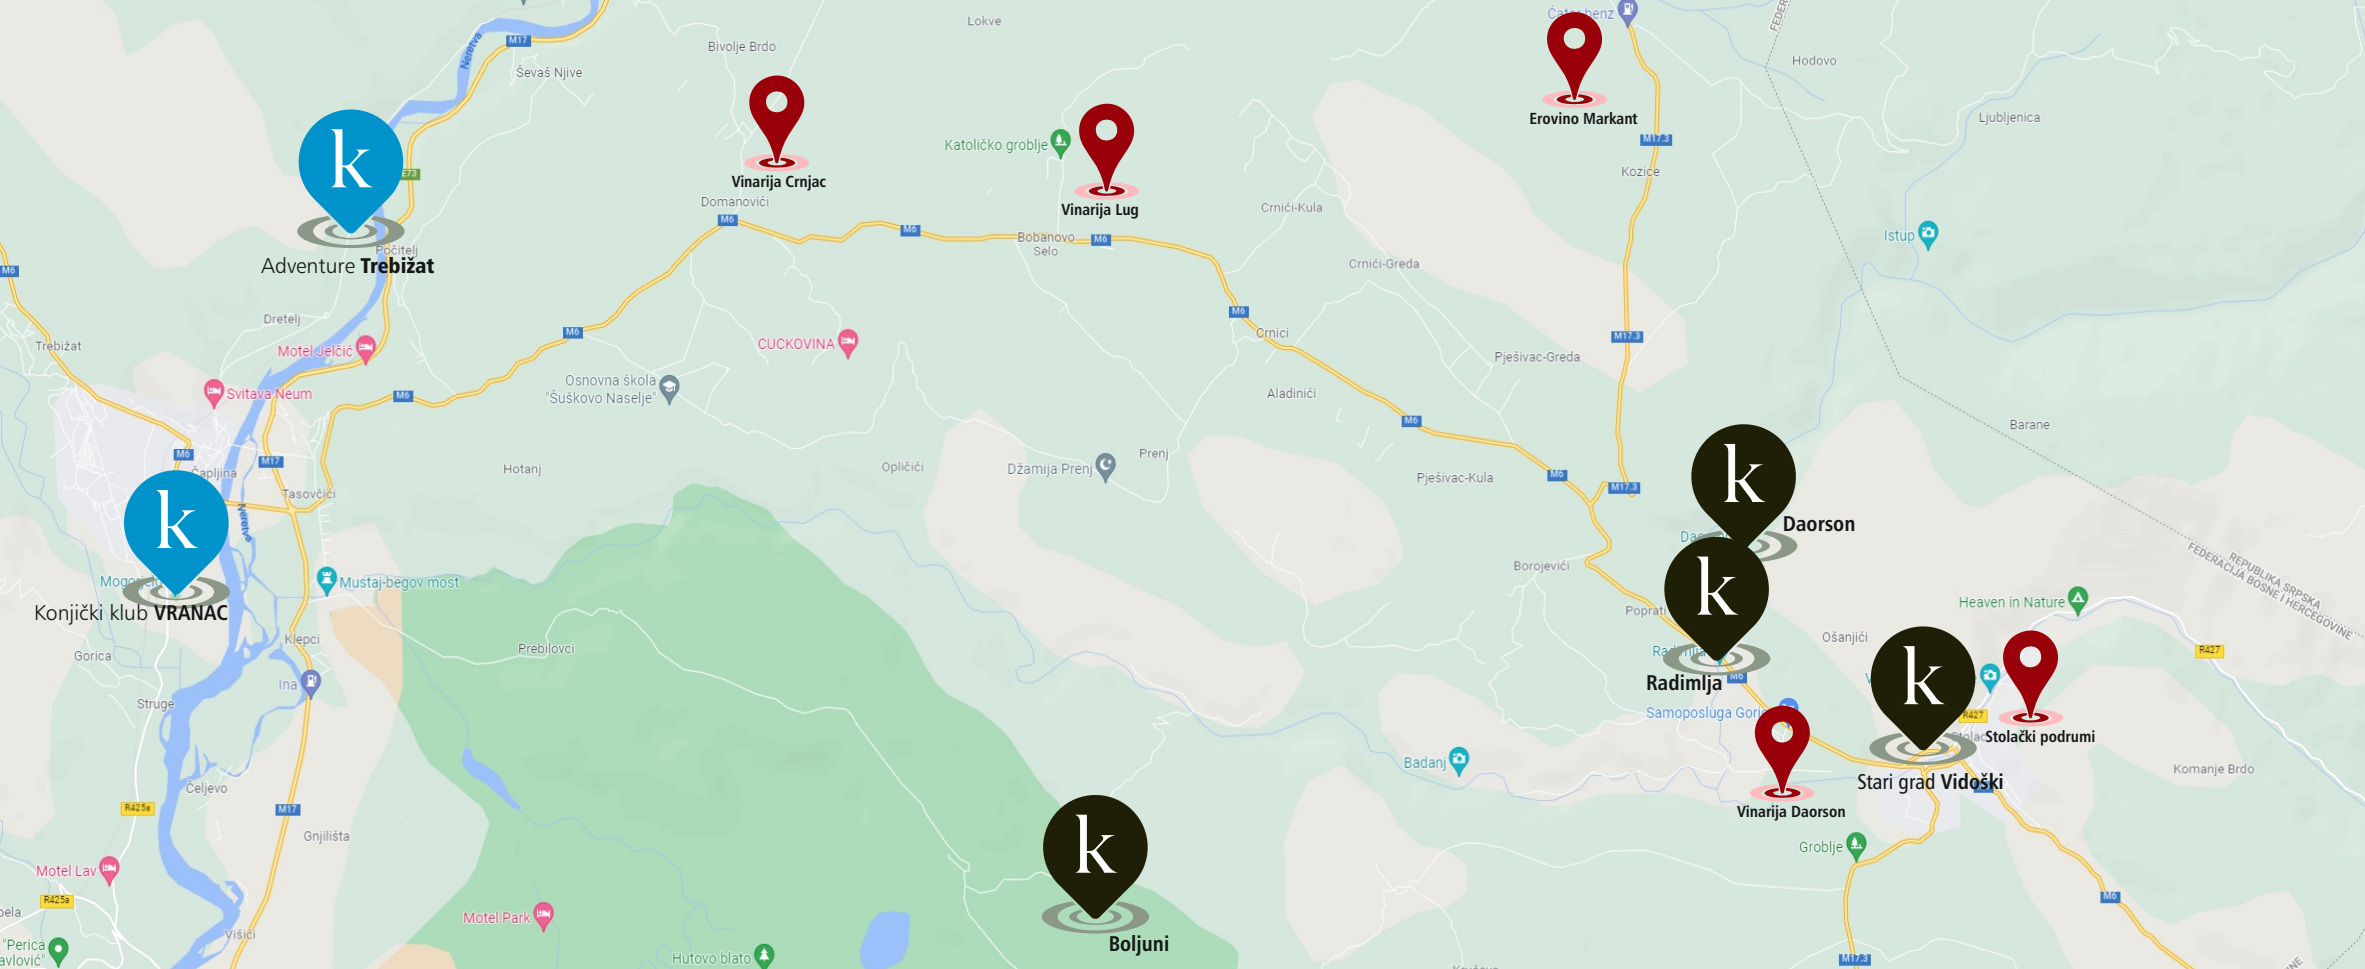

If there is any truth in the proverb that loves goes through the stomach, you will most certainly fall in love with the Herzegovinian cuisine at the first bite. The first recommendation of the kind hosts is precisely the food tasting of everything they have carefully and lovingly prepared in their households. What differentiates this offer is truly the traditional cuisine which coincides with the Mediterranean climatic characteristics, and takes what the nature has to offer.
